OCEAN-COUNTRY
International Real Estate

Modern villas under construction with sea views.

Luxury villas located in Praia da Luz with construction areas between 350m2 and 480m2. Every home has an ocean view, a private garden, outdoor terraces, heated “PebblePool” with an automatic cover and jacuzzi. The development by BGE was based on the concept of passive houses, created to be fully self-sufficient and uses unique alternative materials from those typically used. The result is a house that provides significant energy, acoustic and thermal efficiency. You will have the opportunity to customize your home and personalize the finishes.
